

Saved physical surfaces: center motion changes depth without changing the winning patch

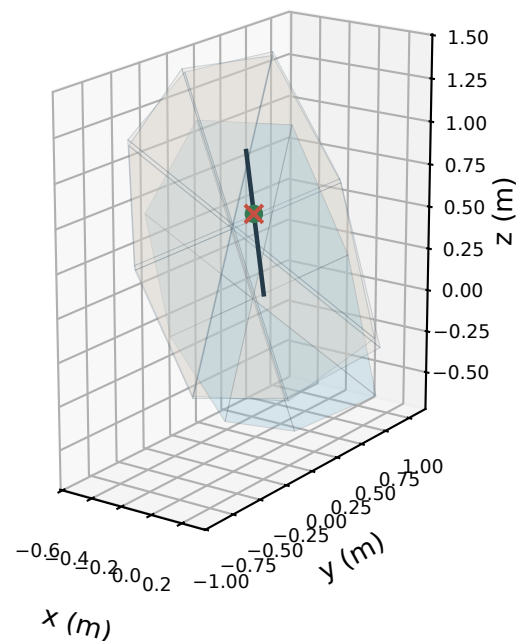

Before learner update
grazing_thin-00, residual=-0.111m

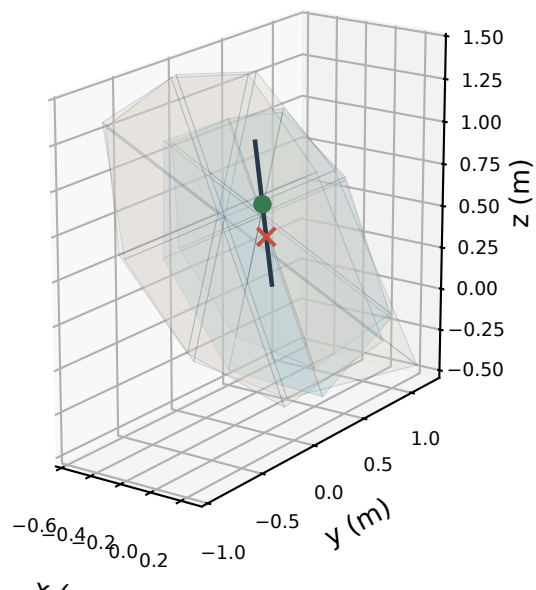

After learner update
grazing_thin-00, residual=-0.253m

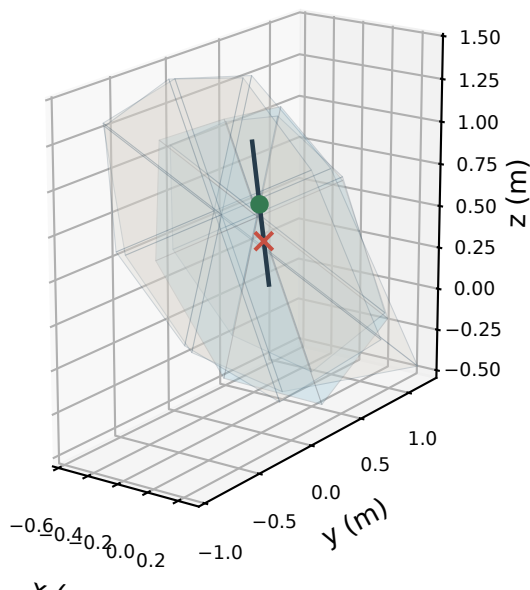

Teacher from same parent
grazing_thin-00, residual=-0.000m

Before learner update
grazing_thin-01, residual=-0.182m

After learner update
grazing_thin-01, residual=-0.207m

Teacher from same parent
grazing_thin-01, residual=+0.000m
